# Green Living

## **SUSTAINABLE, STREAMLINED STYLE**

The Green Living home is inspired by nature and the desire to reduce our impact on the environment. All elements of this style were chosen for their beauty and environmentally conscious properties. A Green Living home lets you, and the planet, breathe easy.

You dream of inhaling the crisp Rocky Mountain air, strolling through farmers' markets in the summer sun, or exploring new cities by bicycle. Green Living embodies both your values and your sense of style.

Materials and fixtures showcased are as close as possible to actual Rohit finishings, but may not reflect actual materials used in your Rohit home. As of June 13, 2017.

THE DEMOCRATIZATION OF STYLE. ONE HOME AT A TIME.

# KEY ELEMENTS

The Green Living home was thoughtfully crafted and curated. The organic lifestyle is made possible through the use of environmentally conscious materials and streamlined design. Warm woods, polished chrome, and cooler tones create a harmonious feel. Horizontal lines and strategically placed LED lighting create a fresh, ageless look. The result is a style that celebrates the beauty of nature and your commitment to the planet.

## THE DEMOCRATIZATION OF STYLE. ONE HOME AT A TIME.

Green Living is one of six carefully curated looks that have been designed by a team of experts who researched and sourced the perfect elements to create a look that reflects your tastes, personality, and lifestyle. Break free from the bondage of beige and find the style that truly reflects you.

No matter what style you choose, your price won't change.
