

◆ the mackenzie

A magazine-worthy townhome

3 Bed | 2.5 Bath | 1455 sq ft

The Mackenzie is purposefully designed with more space for living. A spacious main floor with a centralized u-shaped kitchen, front facing living room accompanied by three large windows overlooking your full-width front verandah, three generous bedrooms and a bonus room to the second floor, rear-attached garage, and a beautiful covered rear deck makes this the ideal home for a growing family. And with three magazine-worthy Designer Interiors to choose from, you won't have to sacrifice your lifestyle to afford the home you love.

Main Floor Features

612 sq ft

Upper Floor Features

843 sq ft

Optional Basement Development Plan

449 sq ft

Why Rohit?

Our difference is in the designer details

Every element of our Designer Interiors has been added for a reason. From the light fixtures down to the hinges, everything in a Rohit Communities home works together so our customers can live in a space that looks amazing and makes everyday life easier through functional design. With over 30 years of experience building award-winning homes, we're pleased to offer designer homes that help everyone feel better about where they live.

Artist's renderings are conceptual only and are subject to change without notice. Dimensions are approximate and may vary in actual building. No guarantee is made that the facilities or features shown will be built, or if built, will be of some type, size, or nature depicted as seen in the showhome or on this material. Windows are subject to change with elevation. As of July 1, 2019. This plan illustrates some or all of the options and configurations available for your home. This document is provided for informational purposes only and does not form part of the agreement. Option selections need to be part of a schedule for it to be included in the Agreement.
